Important information regarding the usage of your fixture.

 Note

Gives you general information about the usage of your fixture.

Please read this manual carefully and keep it in case you need assistance while performing maintenance and cleaning procedures.

LASVIT GLASS COLLECTIONS ARE UNIQUE AND HANDCRAFTED.

Tiny bubbles and other irregularities may occur due to the nature of the glass-blowing technique.

Thank you for purchasing a Lasvit Collection.

1/ Technical parameters

Item ID / CL004SA-1UL

Color variants / Sandblasted

Light source / 5 × GU10, 5W

Input voltage / 120 V, 60 Hz

Rated power / max. 25W

Protection rating / IP 20

Safety class / CLASS I

Dimensions / Ø 39³/₈ " x OH 55¹/₈ "

Weight / approx. 88,2 lb

Please read this manual carefully and keep it in case you need assistance while performing maintenance and cleaning procedures.

2/ Step-by-step installation

 Before starting any procedures make sure that the power to the lighting fixture is switched OFF and secured against unauthorized, negligent or accidental switching on.

 To retain quality of hand-blown glass, Lasvit recommends to clean the glass at least every 3 months.

 Fixing material is not part of the lighting fixture kit. Refer to the relevant section of this manual for suitable fixing materials and components.

 Proper fixing shall be the responsibility of the customer.

 Installation and electrical wiring should be carried out by a qualified electrician to prevent any damage to health or property.

 The manufacturer shall not be held liable for any defects caused by unqualified handling of the lighting fixture.

 This lighting fixture is to be mounted on fire proof surfaces.

 Do not cover the lighting fixture with any material, it is necessary for the hot parts to be cooled by freely flowing air, otherwise there is a risk of fire.

 Do not spin the pendant ! Spinning the pendant may result in breaking of the suspension cable!

 For indoor use only. Installation requires 2 persons.

3/ Canopy disassembly

 Take care not to break the grounding (pos. A).

4/ Fixing point preparation

5/ Fixing

Fixing material is not included.

 Lasvit shall not be held liable for any injuries or damage to the fixture or other property caused during installation or by improper fixing. Consulting a specialist before choosing type of fixing materials and procedures for a given fixture is highly recommended.

Pictures shown are for illustration purposes only.

5.1/ Threaded rods

! First prepare a 3 1/2" J-Box and PE cable, then you may proceed with the mount installation.

Step 5

Step 6

Step 7

Step 8

Step 9

10/ Installation of the glass components

Step 10

 It is necessary to have at least $\frac{3}{4}$ " wire overlay (pos. B) above the reutlinger (pos. C). That's for safety reasons.

Step 11

Step 12

Step 13

11/ Light source replacement

All light sources can be supplied by the manufacturer, Lasvit s.r.o.

Replacement of the bulb should be carried out by qualified technician to prevent damage to health or property.

Lasvit provides NO warranty on bulbs and is not responsible for any damage or injury caused during its installation or during its operation.

Before starting installation make sure the power to the lighting fixture is switched OFF and secured against unauthorized, negligent or accidental switching on.

The manufacturer shall not be held responsible for injuries, damage to the fixture and/ or other property when other than specified light source type and/ or rating is used.

For reinstalling of the lightsource please see chapter:

1. Chapter — Installation of the light sources in reverse order (step 9, 8, 7, 6).
2. Carry out this step in reverse to fit the new bulb (step 6, 7, 8, 9).
3. Plug in the light again.

12/ Warranties and Warranty Terms and Conditions

1/ The warranty is defined in the Price Quotation, Price Agreement, Contract, or Order. If the Price Quote, contract, or order is not issued, the warranty does not apply to resources, maintenance, service and cleaning and the standard warranty on the goods is set for 2 years. Other agreed warranties must be specified in the Price Quotation, Price Agreement, Contract, or Order.

2/ As a basis for the claim, the customer must provide a valid contract, invoice, or other proof of payment. Otherwise, the manufacturer reserves the right to refuse to provide a warranty, so keep the proof of product purchase carefully.

3/ If the warranty applies to the defect found, the customer informs the seller by e-mail, telephone, or the Sales department of the manufacturer (Lasvit) and passes the required information (project number or light number, project or light name and describes the defect).

4/ The Sales Department proceeds on the basis of an internal customer complaint resolution directive.

5/ The manufacturer will analyse the occurrence of a disagreement with the customer or with the manufacturer after delivery of the non-conforming product to the manufacturer's premises.

6/ Once the analysis has been made, the Sales department is handed over the decision to accept or reject the complaint with an explanation.

7/ The Sales department agrees with the customer for further steps (e.g. repair or replacement date, etc. on the basis of customer and manufacturer possibilities). Unless otherwise agreed, the manufacturer is obliged to remove the defect within 30 days of the claim date at the manufacturer's expense.

8/ The warranty does not apply to:

- defects caused by the customer
- defects caused by a third party
- defects caused by regular usage
- defects caused by an installation contrary to the installation manual
- defects caused by inappropriate attachment or product connection
- defects caused by performed in contradiction with the cleaning manual

- defects caused by the use of other than defined light sources
- defects caused by installation in premises that do not correspond to the nature of the light and its IP cover (intrusion protection).
- defects caused by force majeure

9/ The company LASVIT has the exclusive right to grant, deny or change the terms and conditions for the provision of warranty services.

Never dispose of this product in mixed municipal waste, it must be submitted at the designated disposal installation.
